### NOTES:

We'll do our best to get you the seats you want for the performances you want. But keep in mind that we're a small theater with a lot of fans, and we may have to do some juggling to accommodate everyone. We've reconfigured our seating to retain the intimacy and comfort of our tables while allowing more patrons to sit on the main floor. And we'll call you to discuss your seating plans if we can't match either your first or second choices.
